LOW WANTS POLO (Continued from Page 1)

in mind is a polo game, o

games, to be played between some of the crack Island tennis Rice, the well-known captain of the Will Kaual polo team, has watten Low, in answer to a letter as ling him what he could do in the mafter, stating that his team is ready for the fray 'I hasten to assure you." Rice, "that we will go off with our polo team when you give the word." Rice further asks that he be notified of the probable date of the game as zoon as possible, in order that the Barometer, 8 a. m., 30.06; absolute team may have time to take a little humidity, 8 a. m., 6,758 grains per practice. This team will include cubic foot; relative humidity, 8 a. m., among its members the famous Maamong its members the famous Malina boys, who have always attracted

> mer occasions of this kind. Low has also written to Captain Baidwin of the Maul polo team, but R. Twinston, J. Morton, Jr., R. Mo has received no answer as yet. hopes that both the Maul and Oahu team can be induced to take

considerable attention on account of

their excellent horsemanship on for-

part in the event. Another of "Rawhide Ben's" schemes is to give a great Wild West show similar in character to those he gave some time ago in this city and in Hilo. "I have now had the benefit of two experiences in this kind of thing," said Low today, "and I will be able to improve considerably on the former performances. McPhee is still bere and would be a drawing the Mahuka site money, card, and there will be no trouble. The Attorney General states in his Jesus said My Blood is shed about getting the required Hawaiian

Low hopes to be able to get the consent of the Park Commissioners to the use of the Kapiolani Park race. are in favor of his plan. Should his lon has accepted Mr. Breekons' opin-plan be carried out he will construct on regarding the titles in every par-ticular and the latter in consequence be on the right side of the ledger: plan be carried out he will construct is. I have a brother for twenty-five an enclosure about twelve hundred feet long and seven hundred feet

er, should he not be able to se re the race track, he will try to ave the Wild West show given at

e Atkinson Park at Kakaako, and have the polo games at Moanalua, As a unique innovation and as a feature which will be particularly deasing to the sailors, Low intends o offer a prize of five dollars to any

uan from the Fleet who can ride a ided in order to do away with any ordicle danger, and Low states that to matter how many of the sallors tie successful every man of them will paid his prize. The crews of the warships include many daredevils who are ready for anything, and ere can be no doubt but that there ill be a large number of sailors who

vill make the attempt. Low states further that he has en approached by some of the local X X Spaniards, who wish to give an expurgated bull-fight. They propose to io away with all of the objectionable features, such as the bandarillas and the killing of the bulls and to conduct the affair on absolutely humane principles. Low does not know quite what to think of the proposition, and it will probably remain with the view taken by the general public in regard to the proposition whether the thing will be pulled off or not.
